Section I - Covered Causes of Loss

This policy insures against direct physical loss or damage to covered property caused by fire, lightning, explosion, windstorm, hail, smoke, vandalism, sprinkler leakage, theft and flood, subject to the exclusions in Section II. Flood coverage is subject to an annual aggregate limit of $2,000,000. Water damage from a sudden and accidental discharge of plumbing systems is covered.

Section II - Exclusions

We will not pay for loss or damage caused by: (a) wear and tear, rust, corrosion or gradual deterioration; (b) mold or fungus, except when resulting from a covered water damage loss and reported within 30 days; (c) nuclear hazard; (d) war and military action; (e) government seizure; (f) faulty workmanship or design. (g) Cyber incident: any loss arising from unauthorized access to, or malicious code affecting, computer systems, including resulting physical damage.

Section III - Conditions

Notice of loss: the insured must notify the insurer within 30 days of discovering a loss. Proof of loss must be submitted within 60 days of the insurer's request. Valuation: buildings are valued at replacement cost; stock at selling price less discounts. Coinsurance: 90%. Cancellation: the insurer may cancel with 60 days' written notice, or 10 days for non-payment of premium. Protective safeguards: the automatic sprinkler system must be maintained in working order; failure to do so suspends fire coverage at that location.
